Whole School Approach:

At the start of the autumn term, we conduct a whole school provision review with stakeholders. Having consulted with children and parents, all our additional provision is based on an agreed outcomes approach.

Underpinning ALL our provision in school is the graduate approach cycle of:

All teachers are responsible for every child in their care; including those with special educational needs.

#### Assess:

In addition to current assessment procedures in school for all, children with SEND will be assessed to their area of need using assessments such as:

- Boxall profile
- Strength and Difficulties assessment
- Small steps tracker
- Diagnostic Reading Assessment
- Single Word and Reading assessment
- Sensory Stress assessment

These are carried out by experienced members of staff within the school.

External assessments, from outside agencies such as educational psychologist and speech and language therapists, may be conducted where additional information and support is required. Plan:

Under the direction and support of the SENDCo, the class teacher will plan the outcomes and provision based on this assessment information.

Do:

This provision will be delivered on a 1:1 basis or a small group based on the needs of the child. This support will come from the class teacher, learning support assistants and any other adult who is working under the direction of the class teacher or SENDCo.

### Review:

The SENDCo and the class teacher will track the progress towards the agreed outcomes and will review this at regular points with parents and children.

This may be in the form of:

- Parents' SEND meetings
- · Parents' evening meetings with the class teacher
- Email/Class Dojo correspondence
- Informal conversation with the class teacher/SENDCo

These are held face to face where possible or over the phone if more convenient for the parents/carers.

#### SEND Needs:

Children and young people's SEND are generally thought of in the following four broad areas of need. At Sherrier, we use the following resources and provision to support:

- 1. Communication and interaction
  - Colourful Semantics
  - Black Sheep resources
  - NELI Nuffield Early Language Intervention
  - Assisted technology
  - Talk Boost
  - Welcom
- 2. Cognition and learning
  - Number Stacks

- 1:1 and small group tutoring
- Whole Word Level intervention (Specialist Teaching Service)
- 3. Social, emotional and mental health
  - PHSE Curriculum
  - Autism Education Trust transition
  - Social stories
  - Autism Outreach Service
  - Special School Outreach Service
- 4. Sensory and/or physical needs
  - Sensory activity group
  - Sensory boxes
  - Wobble cushions
  - Chewlery

#### (Reference: SEND Policy 2022)

July 2023 there are 13 pupils (28%) on the SEND register. 3 of these have EHCP.

We have internal processes for monitoring quality of provision and assessment of need. These include:

- Termly assessments in reading, writing and maths Headstart
- Termly evaluation of provision delivered and the impact it has on the progress of individual children
- Ongoing informal assessment and observation seen in the marking and feedback booklets
- Learning walks and observations

Consulting with children, young people and their parents

involving parente and learners in the dalogae to contrain to car approach and we do this through.			
Action/Event	Who's involved	Frequency	
Provision Review	Parents, children, all staff, all governors.	Annual	
To identify what we are doing well and what would be even better if for all children.			

#### Involving parents and learners in the dialogue is central to our approach and we do this through:

SEND support meetings/parents' meeting – to formally review progress	Class teacher, support staff, parents/carers and child when appropriate	Twice a year
Additional meetings with parents and child – dependent on the individual circumstances of the child and family	Class teacher, support staff, parents/carers and child when appropriate	As required (These type of meetings and approach to support is seen regularly throughout school, building relationships between staff and parents and in turn, improving outcomes for children).

## Staff development

We are committed to developing the on-going expertise of our staff. We have current expertise in our school:

Initial of person	Area of expertise	Level (as per p68-9 of SEND Code of Practice 2015)
All Staff	Attachment Training	
MC /KH	Anxiety	Course delivered by Autism Specialist Team
SG	Early Years Language	Accredited course
MC	Down Syndrome	Behaviour and Down Syndrome
MC	Collaborative and social thinking – social skills	Course delivered by Autism Specialist Team

## Staff deployment

Considerable thought, planning and preparation goes into utilising our support staff to ensure children achieve the best outcomes, gain independence and are prepared for adulthood from the earliest possible age.

## External bodies and organisations

The governing body delegates the responsibility of commissioning services to help meet the needs of children with SEND and parents. Our external partners that we would work with include:

- Voluntarily organisations, such as the Laura Centre
- Local authority support including Educational Psychology Service and specialist teachers, such as: specialist teachers from Autism Outreach Services or Learning Support Services

 Health and social services including: speech and language therapy, OT, Children and Wellbeing support workers.

# Transitions

This year, we worked with our feeder partners to welcome <mark>4</mark> children/young people with special educational/disability and we supported 3 children and young people transition to the next phase in education/employment.

Our approach involved:

- Enhanced transition to and from new settings depending on the needs of the child.
- Relevant staff visits to and from settings.
- Use of technology to increase familiarity for the child.
- Additional multi-agency and SENDCo meetings to support a smooth transition.
- Regular communication and meetings with settings and parents to support smooth transition and initiate relationships between school staff and parents.

# Complaints

Our complaints procedure is in the school's Complaints Policy. This details the formal procedures which will be invoked when initial attempts to resolve the issue are unsuccessful and the person raising the concern remains dissatisfied and wishes to take the matter further.

This year we have <mark>3</mark> complaints.

Our strategic plans for developing and enhancing SEND provision in our school next year include:

- Developing staff understanding of how to support children with SEND in different areas of the curriculum and the adaptations made within specific curriculum areas and across all.
- Supporting children's relationships and social experiences through enhanced outdoors opportunities such as the introduction of new playground activities,
- With some new staff to school, Autism Education Trust level 1 training will be repeated.
- Reintroduce parental workshops related to social, emotional and behavioural aspects such as selfesteem, anxiety and transition.
