Mill Hill Road, Arnesby, Leicester, LE8 5WG

Headteacher Welcome Mrs Ruth James

I would like to welcome you to Arnesby Church of England Primary School. If you are a new or prospective parent considering our school for your child, I would be pleased to show you around and answer any queries. You can be assured of a warm welcome as Arnesby is a wonderful school and although small in size, **it has a big heart.**

Christian values and ethos are at the heart of the school. Our aim is to provide children with a high-quality education where purposeful learning, interesting stimulus and a full partnership between teachers and parents encourage each child to reach their maximum potential. Within a safe, friendly and caring environment, pupils are encouraged to develop their academic, physical, spiritual and emotional capacities.

As a village school with small class sizes we can ensure that every child is able to progress well and is effectively supported in their learning.

The school has many strong links with the community and often take part in competitions, festivals, charity fundraising events, community events and visits to our local churches. The school also benefits from the support of an active Parent Association (PTA), Friends Of Arnesby. We believe that our school is a place where every child feels special and loved by God for who they are and we hope that every child understands they have something unique and special to offer.

If you are looking for a nurturing school with a family feel for your child, we would very much encourage you to come and visit, where we can show you more of what Arnesby School has to offer.

A message from the Chair of Governors Mr Patrick Rendall

One thing that impresses me about Arnesby School is the way the children play so well together across the age groups. The school has a great family feel and I think that it is a gem in the heart of the village community.

Vision and Values

Where every child shines

Our vision begins with the Bible quote:

“Let your light shine before men, that they might see your good works, and glorify your Father in heaven”

Matthew 5:16

This reminds us of the importance of our actions. Our actions allow us to let our light shine.

We are all God’s children and are called to “give glory” to our Father in heaven through our “good works”. Our actions allow us to share the light of Jesus with those around us.

Our 9 values help to support our vision in the following ways:

Respect and thankfulness – for others, our environment and celebrate our differences.

Curiosity - opportunities for children to achieve their best and have positive learning attitudes.

Resilience – showing courage, determination and perseverance.

Independence – a sense of responsibility for ourselves and the world around us

Forgiveness and honesty – living by our values and morals.

Teamwork and Koinonia – working together in our community with love for all.

Children can become a light to others by looking for ways to help those in need and by shining every day they are simply doing their best in everything they do.

The school day

Before school

The school gates open at 8:35am and children are able to come into their classroom ready for an early morning activity or challenge. The class teacher will be there ready to greet the children.

Morning

Our school day starts at 8:45am prompt when the register is taken. Children arriving after this time will report to the school office to be marked as present on the register.

All children will have a morning break between 10:30am and 10:45am.

Lunchtime

Lunchtime is 12pm - 1pm with children eating both packed lunches and school meals in the village hall.

Afternoon

Daily Collective Worship is from 2:40pm with the school day finishing at 3:15pm.

In a typical week, the children will have 32.5 hours of education.

Breakfast and after-school clubs

Breakfast club is from 8am until the start of the day. All places need to be booked 1 week in advance please.

After school clubs run Monday - Thursday from 3:15pm – 4:30pm.

Curriculum

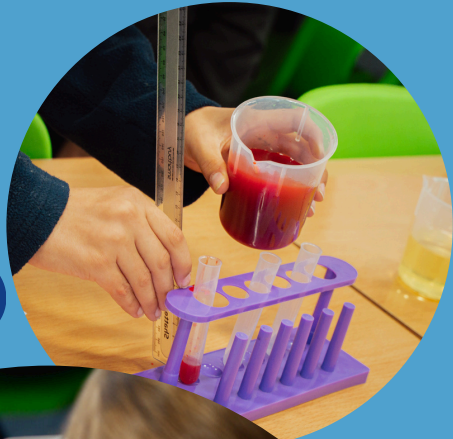

At Arnesby School, we aim to provide the best quality education possible for our children.

The Curriculum is based on inspirational learning activities which take place in the classroom to allow children to learn in a way that motivates and interests them. We provide our children with appropriate challenge, giving opportunities to solve problems, apply themselves creatively by expressing their knowledge and skills to show their understanding.

Subjects are taught using well recognised schemes of learning to ensure a progressive and enriched curriculum offer, for example:

Mathematics is taught through the Powermaths Programme which both consolidates and extends mathematical learning (see our website for the full curriculum offer www.arnesby.embracemat.org)

As a village school, our rural setting means that we have many opportunities to link our learning to the world around us and celebrate God's wonderful world, whilst understanding the importance of sustainability in our local environment.

Classes

Peace Class

This class has Reception, Year 1 and Year 2 working effectively together.

With a large, refurbished outdoor space and many activities there are lots of opportunities for children to experience Reception free-flow learning from inside and outside, and experience the full offer of the Early Years curriculum. Key Stage 1 children follow a dedicated programme of study.

Year 1 enjoy challenge time after completing their adult led learning by also using the indoor and outdoor learning spaces.

Year 2 have both time and space to learn effectively at separate learning spaces in the class room and all children benefit from the adult attention that small class sizes allow.

Courage Class

Courage Class is a Lower Key Stage Two class of mixed age children from years 3 and 4.

The children follow a dedicated programme of study for their age group but also have the benefit of learning together in subjects such as PE, History and Geography etc where children can share their knowledge and skills with a wider group.

Endurance Class

Endurance Class is a mixed age Upper Key Stage two class from Year 5 and 6.

The children follow their age related programmes of study and are also encouraged to lead the school as role models and have other roles with specific responsibilities.

All children benefit from a well stocked library and a well resourced school.

School meals

We encourage healthy eating and the meals prepared by our school catering services have been selected to provide a nutritionally balanced diet.

All of our children in KS1 (Reception, Year 1 and 2) are entitled to receive a Universal Free School Meal. KS2 children (Years 3-6) can order a hot meal. Meals are ordered on a daily basis during morning registration.

Special Diet Request

To ensure that all Meat, Fish, Egg-free or Vegan diets are dealt with appropriately, our School Catering Services work closely with a dietician to compile a personalised menu for your child. This will remain as close to the standard menu as possible.

School milk

Milk is available to all pupils via the Cool Milk Scheme. This is free for all under-fives and subsidised for pupils aged five and over. If you would like your child to have milk, please register at www.coolmilk.com

Medical

If your child is taken ill at school, we will contact you. Children are not allowed to go home alone on their own if they are unwell.

If your child is absent from school through illness, please ring the school office by 8:45am if possible. If your child is absent and we haven't heard from you, you may receive a call to check on them as part of our safeguarding procedures.

For all other absences, Headteachers are unable to grant any leave of absence during term time unless there are exceptional circumstances. If you need to take your child out of school and it's not due to medical reasons, please complete an absence request form. Please download a form from our website or ask the school office for a paper copy.

Uniform

Our colours are navy, sky blue & white.
