

ARNESBY SCHOOL NEWSLETTER

5th December 2025

As the festive season approaches our Leices-
ter Cathedral visit has been a highlight with
Christmas trees and the advent ring on full
display in the nave. It reminds us of the
countdown to Christmas as well as looking
forward to our Nativity in school and the end
of term activities, as the topics draw to a
close and learning is both assessed and con-
solidated.

Our wonderful children are still working hard
and being the best they can be as they shine
throughout this newsletter.

Friendship has been a key theme this term as
we consider our values of koinonia, respect
and forgiveness along with wonderful curios-
ity for new experiences and new learning. Well done Arnesby School.

Mrs James

UPCOMING EVENTS:

Nativity by Peace Class

**10th & 11th December everyone welcome
9.30am in the Village Hall**

Christmas Lunch and Christmas Jumper

Monday 15th December

Pantomime—Dick Whittington

Wednesday 17th December—De Montfort Hall

WHERE EVERY CHILD SHINES

Arnesby School — Where every child shines

Leicester Cathedral Visit

We had a very interesting morning at the Cathedral learning so much! From the table laid for the Last Supper to types of Baptism, around the font.

The Faith group had a group photo in a small chapel between our workshops.

In groups, we learnt about the history of Richard III and looked and touched his tomb as it was made to be touched.

Theo said that he was *"excited and shocked because there was a tomb in the cathedral that I didn't expect"*.

Reuben said it was *"cool and scary because you could see the fossils at the top in the limestone"*.

Bernie wondered why the Christmas tree wasn't decorated with baubles as it was only decorated with fairy lights.

Some of the children also had a go at Cathedral building!

We noticed the gold crown covered in jewels which has been made to look like one King Richard III may have worn.

Learning for Life

Arnesby School — Where every child shines

We learnt about the beautiful modern stained glass windows that explore the life of King Richard III.

The children also made friendship flowers and thought about the qualities of a good friend.

Back at school, Mrs James had a lovely message from the Cathedral staff which she would like to share;

"I just wanted to write and tell you that it was an absolute pleasure to welcome Arnesby School to the Cathedral yesterday. Both children and staff were a delight and myself and (Rev) Chris really enjoyed our morning."

Well done to all the children for showing Arnesby school in such a positive light with exemplary behaviour. I am so proud of you all.

AUTUMN TERM 2025

What's happening in school? Peace Class

PEACE class shining in tasting!

This week in Peace Class, we've been continuing our exciting Design & Technology (DT) unit on healthy eating and balanced diets.

The children have been learning why it's important to make good food choices and how different foods help our bodies stay strong and healthy.

What We've Been Doing:

- We explored the main food groups and identified foods that belong to each group.

- The children described the taste, feel, and smell of different foods using fantastic descriptive language.
- We tasted a variety of food combinations to decide which flavours we liked best.

Next, we will use what we've learned to design and make wraps that include proteins, carbohydrates, and dairy, creating delicious and balanced meals!

The class showed creativity and enthusiasm during these activities, and it's been wonderful to see them thinking carefully about healthy choices.

Looking Ahead:

Next week, we'll begin making our wraps and evaluating our flavour combinations.

What's happening in school? Courage Class

Courage class shining in working together

Courage class have been writing their own story based on Stig of the Dump and linked this learning with Stone Age Britain.

We are working hard to learn our times tables and have used the heat maps on TTRS to show us which ones we are not yet secure with!

In Design Technology the children have cut out the book sleeve fabric and using their paper pattern that we have already made. Mrs James was very impressed with how the children problem solved and worked together to ensure their fabric was

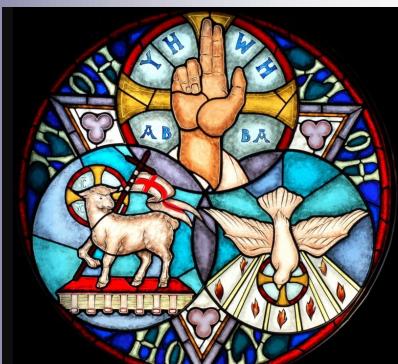

ready and the right size for sewing. We had a look at how we will stitch the pieces together using a seam al-

lowance and are now ready to start sewing!

In science children are learning about light and dark and what a periscope does and in RE we are looking at Christianity and learning about the Trinity and different symbols that represent it, linked with Baptism and the importance of water as a symbol.

AUTUMN TERM 2025

What's happening in school? Endurance Class

Endurance class shining in building bridges

It's been a very busy half term for us in Endurance class. We're drawing to the end of many of our units that we've been working on for the last half term. We've looked at writing fantasy stories, exploring sensory imagery and figurative language to strengthen descriptions of atmosphere and setting. We've also looked at why Christians believe that Jesus is the Messiah – exploring miracles, messianic prophecies, expressions of divinity such as the Transfiguration and Christmas.

In DT we've been building bridges using a variety of different materials. This week we looked at using spaghetti to make truss bridges, making use of triangles to strengthen what would otherwise be quite a weak material.

In science we have been learning about light. This week, we explored what caused shadows, why they were the same shape as the object that cast them as well as how to vary their size. We did this by playing around with making shadow puppets.

In music we've been practicing playing sheet music using real music theory to underpin our learning. The children have spent the half term learning what is meant by time signature and key signature, dynamics, learning to read the notes on the stave and translate that into a performance on the glockenspiel of *Oh Little Town of Bethlehem*.

O Little Town of Bethlehem

WHERE EVERY CHILD SHINES

What's happening in school?

Hats on for READING!

Reading is one of our highest priorities in school as it is a gateway to access all learning. With this in mind we have a termly activity focusing on reading involving the whole school.

On Friday we shared favourite books in our houses with our friends wearing some amazing hats!

It was great fun as the children had a

variety of books to share. See if you can spot who is reading under each hat!

What else has been happening ?

Wreath making

Hollis and her Dad have made a wreath for the school at a workshop run by the Arnesby Baptist Church. It is hanging proudly on our school gate and is an early indicator of the festive season to come. Thank you Hollis for your hard work—it looks great!

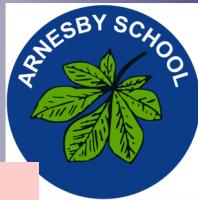

The Embrace Staff conference (our INSET day in November) was a great success and we were able to share experiences and learning.

Paula Jones (Embrace CEO) and John Haggart (Chair of Trustees) also joined us and heard all about the wonderful children at Arnesby!

Curiosity, Respect, Thankfulness, Independence, Resilience, Forgiveness, Honesty, Teamwork, Koinonia

ATTENDANCE MATTERS!

School opens 8.35am

Gates close at 8.45am

Learning starts at 8.45am prompt

The school has new doors which now automatically lock at 8.45am.

Any child arriving after this time will be marked as late and MUST go directly to the school office for sign in.

Children do NOT go to the class.

We would appreciate parents dropping their children at the gate to ensure children go smoothly into class as morning tasks start at 8.35am.

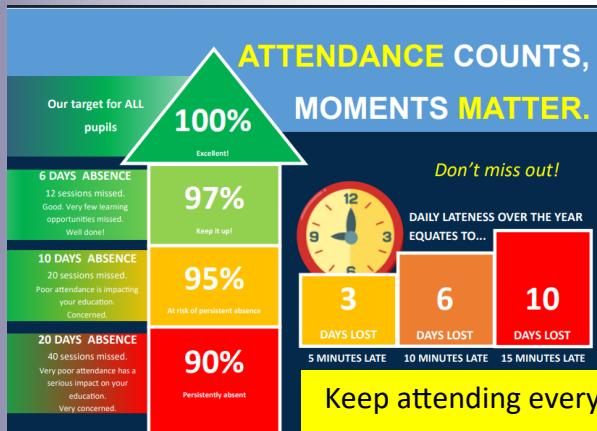

If you need to leave a message, please see either Mrs James or Mrs Lawson at the gate or phone the school office.

Please keep supporting the school by getting your children to school on time. It makes such a huge difference to their learning at the start of the day, as start of the day activities and tasks wakes up the brain and gets us all ready for a busy school day !

Thank you.

MATTHEW 5:14 "You are the light of the world. A city on a hill cannot be hidden"

AUTUMN TERM 2025

Keep attending every day it makes such a difference to the children's learning and social interaction.

Our attendance is: 97.3% and has decreased since the last two newsletters

Please help us keep it at 97% or better!

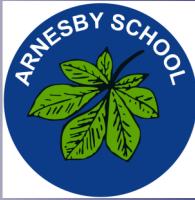

The last two newsletters were:

97.8% and 98.2%

Breakfast and After school clubs

Breakfast and afterschool clubs are an important part of the schools offer. We have worked with the school sports offer through Super Star Sports to give each day a focus sport. These sports will run for the half term and we will change the focus next half term based on the feedback from children and parents. Please try and support these clubs if you can.

Arnesby Primary School

Monday
★ Gymnastics

Tuesday
★ Dodgeball

Wednesday
★ Nerf

Thursday
★ Football

To book your child on, please speak to the school office. Alternatively, to book, please use your My Child at School account.

From October to December

15:15PM - 16:30PM

Matthew 5: 14 "You are the light of the world. A city on a hill cannot be hidden "

BREAKFAST CLUB

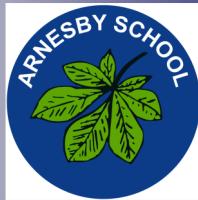

Our breakfast club is available from 8am to 8.45am facilitated by different members of staff.

In order to continue to offer our help to working parents and carers, please book places for the breakfast club **a week in advance** and especially not over the weekend for a place on the following Monday or Tuesday morning.

Thank you.

Thank you

Online safety

As a result of FOI requests to all police forces across the UK, the NSPCC have obtained data which shows that online grooming offences are at a record high with 7,623 offences recorded from January to March this year alone. Remember, these are the KNOWN figures, the real number is likely to be much higher. Where a tech platform was identified around 40 percent took place on Snapchat, 9 percent on WhatsApp and 9 percent on Facebook and Instagram. Where the gender was known, girls made up 80 percent of victims, with the youngest age being 4. One victim is one too many, please continue to be vigilant and curious at home.
